Engineering work / Building services

If you need help with any of the following please follow the links below

Engineering Work Request Portal

This portal is exclusively for engineering-related requests. It covers tasks related to sorters, cranes, conveyors, forklifts, packaging machines, pump trucks, and lifts. If you need assistance in any of these areas, feel free to submit your request here.

Building Services Work Request Portal

This portal is specifically for building services work requests. It covers areas like lighting, sockets, doors, locks, plumbing, air conditioning, and furniture issues. If you need assistance in any of these areas, feel free to submit your request here.
